7.4.1	In the case of a sale by Private Treaty, concluded directly between Vendor and Purchaser:	10.5	The Auctioneer shall be entitled before making payment of the proceeds of a sale to a Vendor to deduct from those monies any debt unsettled and due from the Vendor to the Auctioneer.

8.2	A Vendor who wishes to fix a Reserve Price on any Lot owned by him shall notify the Auctioneer in writing, at least one hour before the sale of that Lot, failing which the Auctioneer may sell the Lot to the highest Bidder.	12.3	Where any Enactment requires the Auctioneer to give information to any statutory or other authority or any other organization the Auctioneer may use any documentation or other information in his possession to supply any information that is so required.
8.3	The Auctioneer may refuse to accept bids from a Vendor for a Lot owned by him and a Vendor shall not bid for a Lot owned by him using any agent other than the Auctioneer.	12.4	If the Purchaser goes on to export the Lot to Northern Ireland or a country outside of the UK the Purchaser is responsible for ensuring that the documentation, formalities and requirements necessary under any Enactment which governs the export are met.

Any time allowed for payment in respect of any purchase shall not be construed as a waiver of the right to require earlier payment on any subsequent purchase.
		16.3	The Purchaser shall not make any set-off or other plea for non-payment of the purchase price and shall be liable to the Auctioneer for any unpaid purchase price whether or not the Lot he successfully bid for has been delivered.
		16.4	Until the Purchaser makes payment in full to the Auctioneer, the Purchaser shall keep the Lot in good, marketable, and readily identifiable condition and shall not re-sell it.
		16.5	In the event of a re-sale by a Purchaser before payment has been made in full to the Auctioneer the Purchaser shall hold the proceeds of such re-sale on trust for the Auctioneer (as agent of the Vendor).
		16.6	Although the risk in any Lot may have passed to the Purchaser, title to the Lot will remain with the Vendor until the Purchaser has paid the purchase price for that Lot in full into the Auctioneer’s bank account within the timescale from the End of the Day’s Sale as set out in the Auctioneer’s terms of business.

		17	Sales of Lots by a Purchaser
		17.1	If, before a Lot is removed from the Sale Premises, the Purchaser of that Lot sells it to another person and notifies the Auctioneer of the name and address of that person then that person shall be treated as the Purchaser of the Lot and shall be entitled to all the rights, and be subject to all the obligations, of the original Purchaser under these Conditions but this will not affect the right of the Vendor, or the Auctioneer as agent for the Vendor, to hold the original Purchaser liable if the subsequent Purchaser fails to fulfill any of those obligations.
		18	Responsibility for Lots Before and After the Sale
		18.1	All Lots are at the risk of the Vendor before the Sale and it shall be his duty to preserve them.
		18.2	On the Contract for Sale each Lot is at the risk of the Purchaser.
		18.3	The Auctioneer shall have no liability to notify the Vendor if any Lot is not sold.
		18.4	If the Auctioneer expressly agrees to take charge of any Lot after the Sale or to forward it to its destination, he shall be liable for any failure to fulfil this obligation which is due to his or his employees’ or contractors’ negligence, but otherwise he shall have no liability or obligation for the safe custody of any Lot after the Sale.

		19.3	Unless otherwise agreed in writing with the Auctioneer all Lots must be removed from the Sale Premises within such period as may be stipulated by the Auctioneer failing which the Auctioneer shall have the right without further recourse to the owner of the Lot to enter the Lot and to sell it without Reserve Price in any future Sale.
		19.4	The Auctioneer may require any Vendor to remove any Lot from the Sale Premises without giving a reason and if the Vendor fails to do so, the Auctioneer may himself remove the Lot and may recover the reasonable costs of doing so from the Vendor.

		21.5	Any Lot described by the Vendor as “just overhauled” or “straight from work”, or “worked up to the date of the Sale”, or “as new”, or any other description calculated to influence an intending Purchaser shall be deemed to be sold with a Warranty that such a Lot is in “working order” as described in Condition 21.4.
		21.6	Electrical Lots which by statute require an electrician’s safety certificate shall not be accepted as an entry for a Sale unless accompanied by such a valid certificate; however, if the Auctioneer in his discretion conditionally accepts such a Lot which is not accompanied by a valid certificate, it shall be lawful for the Auctioneer to remove its lead or plug and sell that Lot as scrap without further consultation with the Vendor.
		22	Breaches
		22.1	Except as expressly provided in these Conditions with regard to any Lot sold the Purchaser shall Take Delivery of each Lot with all (if any) faults, imperfections and errors of description.
