CONDITIONS OF SALE

The Sale will be conducted under the auspices of the Bluefaced Leicester Sheep Breeders Association

ELEGIBILITY

All Sheep are the Produce Of Registered Flocks And Consigned By Members Of The Bluefaced Leicester Sheep Breeders' Association

THE ASSOCIATION HAS BANNED THE USE OF IVF AND SEXED SEMEN WITHIN THE BLUE/FACED
LEICESTER SHEEP BREEDERS' ASSOCIATION

ENTRIES

1. The Exhibitor is the Breeder unless otherwise stated.
2. Animals marked * are Two-shear or over.
3. Flock Prefix is shown in Capitals.
4. All sheep classified by the Association as 'Elite' Approved or 'Elite Plus' and their progeny, are marked 'E' 'A' or 'E+' accordingly.
5. If you are a member of a Health Scheme and would like this included in the Catalogue, please tick the box on the entry form – the name of the scheme will not be listed – just that you are a member of a scheme.
6. Entries to the Sales must be made on the Official Entry Forms. Please list your animals in sale order. All lambs entered for the Association Sales must be fully registered on to the Grassroots Database system prior to sale so you must complete the entry form in full including UK Tag Information, Sire and Dam information. For Shearlings and Older Sheep entry can be accepted with the Registration Number only as long as the breeding history is complete on the database.
- ~~7. All Sheep to be allowed one entry only at Official Bluefaced Leicester Sales per year. Sheep not presented when entered may be used as a substitute at another sale.~~
8. One substitute sheep per vendor, per ten sheep, or part thereof, per section entered will be allowed. The Substituted sheep is to be marked with a blue disc hung around its neck on a string – this will be supplied by the Association Office. If you are substituting a ram or ewe lamb these too must be registered on the Grassroots Database prior to Sale time so please ensure your list of substitute lambs are registered.

EAR TAGS

9. All sheep must be tagged with Association tags that comply with UK legislation and Association rules on identification. The vendor shall be responsible for the correctness of identity.
10. Ear numbers will be checked prior to sheep entering the ring. Those which do not tally with the entry form will be rejected.
11. Only Catalogued Sheep will be allowed in the market.

INSPECTIONS

12. All sheep are subject to inspection on sale day by Association Inspectors. Vendors or their representative should try to be present (but not in their pen) during these inspections.
13. All sheep forward for pre-sale show classes must be identified by their catalogued lot number either hung on a string around the sheep's neck or marked on the sheep's face and then will be subject to inspection by the Association Inspectors prior to entering the Judging ring.
14. The Inspectors decision is Final.
15. Red spots marked on sheep by the inspector indicate that:
 - (a) A ram of any age is marginally incorrect in the testicles and the fault will be intimated to the Auctioneer by the Exhibitor and announced at the time of Sale. The sheep will be marked with a red spot on the rump and the ram warranted a stock getter by the Exhibitor. If the vendor is not prepared to warrant the ram a stock getter, the association logo will be cut from the tag, the sheep will be de-registered and it must be removed from the auction mart.
 - (b) An adult sheep is considered to be of good conformation but marginal in the mouth and the fault will be intimated to the Auctioneer by the Exhibitor and announced at time of Sale. The sheep will be marked with a red spot on the shoulder.

- (c) Lambs - If the teeth on a lamb can be scraped it will be red spotted, Bad mouthed lambs will still be rejected.
- (d) Sheep which are rejected will be deregistered and have the Association Logo cut from the tag, head marked and must be removed immediately from the Auction Mart.

SALES

- 16. All sheep must be penned at least 1 hour prior to start time of the sale. This includes females whose sale start later in the day. OTHERWISE, THEY WILL NOT BE SOLD. Once sheep are in the sale centre they must remain on the premises until after they are offered for sale or have been rejected by the association inspectors prior to sale - only then are they allowed to leave the premises.
- 17. Pre Sale-Showing - Only two sheep are allowed out per member per class and must be identified with their catalogued lot number displayed either on a string around the sheep's neck or the number marked on the sheep's face.
- 18. All sheep must be sold in the order in which they are catalogued with the exception of the Champion Sheep, which can come anywhere in the exhibitor's run of sheep.
- 19. **The 2026 Upset Price for All Rams is £200. The Upset Price for Females is £150 – This applies to all sales except Northern Ireland Sales in Ballymena where the upset price is £500 for Shearling Rams, £400 for Ram Lambs & £300 for Females. Armoy the upset price is £300 for Rams & Females.**
- 20. Coloured wool must be declared by the Vendor at the time of sale, but Inspectors still have the right to reject sheep for coloured wool so extensive as to seem not true to breed type. If coloured wool is not declared and found by the purchaser before it leaves the market, the sheep can be returned on that day.
- 21. Anyone found to have "ground" teeth or tampered with the mouth of any animal will be severely dealt with.
- 22. Purchasers must satisfy themselves as to the correctness of any animal for which they bid, which will be their responsibility at the fall of the hammer.
- 23. Any complaint for cudspilling must be lodged with the Auctioneers before the sheep is removed from the Sale premises. The return of a sheep for cudspilling shall be a matter to be resolved between the Vendor and the Purchaser.
- 24. No shaving/clipping of hair in front of the eyes will be permitted and the sheep will be removed from the auction mart.
- 25. **Members are asked to conform to the guidance given by their local animal health department on the rules and regulations regarding tail docking in both males and females.**
- 26. All disputes are a matter to be resolved between the vendor and purchaser. The Association does not guarantee the stock getting capabilities of any sheep.
- 27. Only Rosettes awarded which apply to the Sale you are attending will be allowed to be exhibited on vendors' pens prior to sale. All other rosettes will not be permitted to be displayed.
- 28. NB. Due to Health and Safety Guidelines, the Association has banned the use of dips and water sprays at the Auction Premises.
- 29. Prior to purchase it is the responsibility of the buyer to ensure that any Bluefaced Leicester they wish to breed pedigree stock from is fully registered with the Association

VENDORS CONDITIONS OF WARRANTY:

- (i) If a ram is proved incapable of and ineffective at natural service and is to be returned by the purchaser to the vendor, notice must be given as soon as possible by the purchaser to the vendor and the ram must be returned to the vendor no later than 5th December in reasonable condition. The purchaser agrees that the right to reject the ram and return it under this clause will be lost if the purchaser has after purchase taken semen from the ram.
- (ii) No claim on the vendor to exceed the purchase price of the ram.
- (iii) Any female should be guaranteed free of lamb at time of sale unless otherwise stated. Any animal to be returned should be returned by 5th January in reasonable condition.
- (iv) No claim on the vendor to exceed the purchase price of the animal.

Any member selling a ram from which semen has already been stored must advise the auctioneers and have it announced at time of Sale.

Whilst every care is taken in compiling this catalogue the Association does not accept responsibility for any errors which may occur.

The Main Benefits of Buying from an Association Sale...

1

All Sheep entered for sale at an Association Sale have been fully registered on the Grassroots database before the sale takes place.

2

All Lambs & Yearling Sheep are inspected before being sold

- Rams Mouth & Testicles are checked.

Shearling Rams - If found to be marginal in the mouth but have good general conformation he will be given a red spot on the shoulder.

Ram Lambs - If the teeth can be scraped, he will be red spotted. Bad-mouthed lambs will have the association logo removed from their tags, and they will de-registered

Testicles - If found to be marginally incorrect he will be given a red spot on the rump.

- Females - Mouths & Udders are checked

Mouths - Females with incorrect mouths will have the association logo removed from their tags, and they will de-registered

3

All Sheep are in the auction to be seen and inspected by the prospective buyer prior to the sale.
